

# Freelancer Finance Dashboard

## Setup Instructions

---

### Step 1: Open the Template

Open Freelancer\_Finance\_Dashboard.xlsx in Microsoft Excel or upload to Google Sheets.

### Step 2: Google Sheets Setup (Recommended)

1. Go to Google Drive ([drive.google.com](https://drive.google.com))
2. Click New → File upload → select the .xlsx file
3. Double-click to open in Google Sheets
4. Click File → Share → Share with others
5. Under General access, select "Anyone with the link"

### Step 3: Start Using

- Setup tab: Enter tax year, state, and filing status
- Income tab: Log each payment with client, date, amount, project
- Expenses tab: Record business expenses with category
- Dashboard: Everything auto-calculates — P&L, tax, trends

### Step 4: Quarterly Tax Payments

The Dashboard shows your estimated quarterly tax payment.

Pay by IRS deadlines: Q1 Apr 15 • Q2 Jun 15 • Q3 Sep 15 • Q4 Jan 15

|                |                                                                                                                               |
|----------------|-------------------------------------------------------------------------------------------------------------------------------|
